

**Orphan Stormwater Systems  
Financial Assistance Grant Application Part 2**  
(To be filled out by the subdivision's municipality.)  
Applications must be postmarked by December 31, 2006.

General Permit 3-9010 requires that any routine maintenance or repair to be completed before the permit is issued. **Please list any maintenance or repair necessary to permit coverage.**

---

---

---

---

---

---

If a stormwater system was never built or has substantially deteriorated, General Permit 3-9010 requires a new "best fit" system must be constructed according to the permit's Appendix B. **Please list any construction necessary to meet this requirement.**

---

---

---

---

---

---

**Describe any foreseeable costs that are likely to be incurred during the permit renewal process.** Include expenses such as maintenance/construction, legal and permit fees, consulting costs, etc.<sup>3</sup> Temporary Pollution Permits (2-series) are exempt from the application review fee. You may not include annual operating fees.
